2.14 Right of Inspection: The County shall have the right to inspect the goods at delivery before accepting them.

If any event constituting a Force Majeure occurs, the affected party shall notify the other parties in writing, within twenty-four (24) hours, and disclose the estimated length of delay, and cause of the delay.

2.18 Assignment-Delegation: No right or interest in an order shall be assigned or delegation of any obligation made by Seller without the written permission of Fort Bend County. Any attempted assignment or delegation by Seller shall be wholly void and totally ineffective for all purposes unless made in conformity with this paragraph.

2.19 Waiver: No claim or right arising out of a breach of any contract can be discharged in whole or in part by a waiver or renunciation of the claim or right unless the waived or renunciation is supported by consideration and is in writing signed by the aggrieved party.

The County may demand that the other party give written assurance of his intent to perform. In the event that a demand is made and no assurance is given within five (5) days, the County may treat this failure as an anticipatory repudiation of the contract.

2.26 Prohibition Against Personal Interest in Contracts: No officer or employee of the County shall have a financial interest, direct or indirect, in any contract with the County, or shall be financially interested, directly or indirectly, in the sale to the County of any land, materials, supplies, or service, except on behalf of the County as an officer or employee. To Whom It May Concern:

The El Paso County (Colorado) Clerk & Recorder’s Office has benefited greatly from our relationship with Integrated Voting Systems (IVS) over the past few years. As anyone in the business of conducting elections knows accuracy, timeliness, and teamwork are the key elements in ensuring a successful election.

Since working my first election in 1960 I have experienced many challenges and enjoyed many relationships while working in a wide variety of roles during the election process. I can honestly say that our collaborative effort with IVS has been the most rewarding and enjoyable. IVS is creative and up to every challenge we throw their way.

Without hesitation I encourage fellow election officials to learn for themselves why I consider IVS to be the “BEST IN THE BUSINESS.”

Anyone who partners with Integrated Voting Systems and Frank Kaplan cannot go wrong.

Sincerely,

Robert C. Balink

TO WHOM IT MAY CONCERN:

It is our pleasure to recommend the ballot printing services of Integrated Voting Systems (IVS).

We utilized IVS for printing of ballots for the 2008 General Election in Larimer County. During this process, Frank Kaplan and his team exhibited outstanding, personalized customer service and provided constant clear communication to ensure our deadlines and goals were met. Indeed, they never missed a deadline and provided excellent follow-up to ensure things were going well and that our needs were being met prior to, during, and after the election.

After many years in this business, my staff indicates that IVS provided the best printing quality for ballots that they have ever seen. Accuracy for the absentee process was excellent.

IVS exhibited the willingness and ability to go the extra mile to help us with our business processes. Printing an electronic barcode on the stub of our ballots for ballot inventory was a new process, and it was done perfectly. Packaging our ballots, by precinct, for each of our seven early voting sites and thirty-three vote centers was a complicated task – also executed in an excellent manner by IVS.

We extend our appreciation to the team at IVS for their exceptional services and product delivery, and welcome any questions you may have regarding their performance.

Best regards,

Scott Doyle
Larimer County Clerk & Recorder

To Whom It May Concern:

I am the Chief Deputy Registrar of Kern County Elections and I highly recommend Integrated Voting Systems (IVS) as a ballot printer and mailer of Vote by Mail Ballots.

By having Steve Knecht as a single point of contact, we were kept well informed of every step in our ballot process. Due to the population growth and last minute voter registration increase, I ran out of ballots in several mail ballot precincts. I called Steve and we got our ballots within a day. IVS has a professional staff that works to meet our needs and I have the utmost confidence in their ability to meet key deadlines.

They print, insert and mail our first run of absentees to approximately 125,000 voters. I have been pleased with their work and feel that they have good quality control checks.

If you have any questions regarding Kern County Elections experience with IVS, please feel free to contact Abbe Shugart, Karen Rhea, or myself at 661-868-3590.

Sincerely,

Sandra L. Brockman

To whom it may concern;

As the Registrar of Voters for San Joaquin County I am pleased to recommend Integrated Voting Solutions as a ballot printer and mailer of absentee ballots. Integrated Voting Solutions printed ballots and mailed the absentee ballots for the San Joaquin County Registrar of Voters throughout the three elections held in 2008.

From the time IVS started working with us the skill of the IVS staff in keeping organized and on task was exceptional. In addition our deadlines have always been met both in the printing and delivering of the poll ballots and the printing and mailing of the absentee ballots. We will continue to use them for our March 2009 election.

Integrated Voting Solutions has a very talented staff and I have no hesitation in recommending them. If you have any questions about our experience with IVS I would be happy to speak with you.

Sincerely,

Austin G. Erdman
Registrar of Voters

The City and County of Broomfield, Colorado first contracted with Integrated Voting Solutions in 2007. IVS won the contract through a competitive bidding process. The contract was constructed so that, contingent upon successful performance during the November 2007 election, it could be extended through 2008. IVS’ performance was very successful and the contract was indeed extended.

As the name implies, IVS offers the convenience of a single point of contact for integrated ballot printing, shipping, and mail preparation services. By bringing years of election business experience to the table, IVS was able to manage each aspect of the process expertly and seamlessly.

IVS’s performance during the 2008 election season was at least as good as in 2007. Taking full advantage of the most cost effective automation rates offered by the USPS, IVS was able to save Broomfield thousands of dollars in postage compared to previous years. Ballot printing quality was very good and all deadlines were met with time to spare. They were even able to recommend process changes for Broomfield that turned out to be very advantageous. And all of this for what must be one of their smallest accounts during the largest election in history.

Broomfield looks forward to a long and mutually beneficial relationship with IVS.

To Whom It May Concern:

I am the Registrar of Voters for the County of Fresno. In this capacity, I oversee all aspects of Fresno County’s elections. One critical task is the printing of ballots. This is of utmost importance and must be assigned to a reputable printer of the highest quality.

Since 2003, Integrated Voting Systems (IVS) has printed our ballots and I can attest that they have performed with the highest degree of responsibility in all respects. The quality of their work has always been exceptional and their staff work extremely well with our staff. We value our relationship with IVS because of the fine job they have performed and continue to perform.

Dear Hank:

I am pleased to send this letter of reference regarding your credibility and positive performance in past years on behalf of the Dallas County Elections Department.

While you were an employee of Business Records Corporation (BRC)/Election Systems and Software (ES&S) and Dallas County was one of your many customers, we could always count on you to follow up on the items you were to deliver to us in a timely and professional manner. I can only believe you will perform in the same manner as always as an employee of Integrated Voting Solutions, Inc., (IVS).

Although we in Dallas County and I believe in the state of Texas do not have any experience with IVS as a company, I can only presume based on the letter of reference from El Paso County, Colorado you sent me and knowing you as the person you are that IVS will perform as is necessary to satisfy a county’s election printing needs. Based on what you have told me as well about IVS, I believe you would only work for a company that performs and delivers counties printing needs in a most competent manner.

Should a county desire to call me, they may do so at 214-819-6370. I wish you and IVS success.

Sincerely,

Mary Kay West
